

Bibliography of Chun Yang, M.D., Ph.D.

(Selected; most of the non-peer-reviewed become book chapters, see [books](#); peer-reviewed starts on page 4)

- Yang C. The photon big bang. *Energinity.com* < <http://www.energinity.com/2015proceedings1.pdf> > (2015)
- Yang C. The new scientific revolution of convergence – three breakthrough areas. Added: You You Tu and SCI. *Energinity.com* < <http://www.energinity.com/2015proceedings1.pdf> > (2015)
- Yang C. Charles H. Townes’ predictions and realizations – “The convergence of science and religion”. *Energinity.com* < <http://www.energinity.com/2015proceedings1.pdf> > (2015)
- Yang C. Revolutions without calling them revolutions. *Energinity.com* < <http://www.energinity.com/2015proceedings1.pdf> > (2015)
- Yang C. From activation induced cytidine deaminase (AID) to Casting and decoding model (C&D) in high affinity antibody generation. (2014) < <http://www.energinity.com/AID-C&D.pdf> >
- Yang C. Consciousness research – a debate of centuries. (2014) < <http://www.energinity.com/2014proceedings1.pdf> >
- Yang C. A precise definition of consciousness – x consci. (2014) < <http://www.energinity.com/2014proceedings1.pdf> >
- Yang C. Molecule consciousness. (2014) < <http://www.energinity.com/2014proceedings1.pdf> >
- Yang C. Biological consciousness – level and content. (2014) < <http://www.energinity.com/2014proceedings1.pdf> >
- Yang C. Data of DNA and related for 60 years reused to develop new theory and hypothesis. (2013) < <http://www.energinity.com/DNA60y.pdf> > (2013) < <http://www.energinity.com/2013proceedings1.pdf> >
- Yang C. A science of research integrity. (abstract) Submitted on February for conference. (2013) < <http://energinity.com/sri.pdf> > < <http://www.energinity.com/2013proceedings1.pdf> >
- Yang C. Confronting misconduct at top institution – what are right things to do. (2013) < <http://energinity.com/confn.pdf> > < <http://www.energinity.com/2013proceedings1.pdf> >
- Yang C. Big questions and humble approaches – Following *up a discussion with Dr. Walter Gilbert* (2013) < <http://www.energinity.com/2013proceedings1.pdf> >
- Yang C. Advance in Theory of Everything (TOE). Available from *Energinity.com* < <http://www.energinity.com/2012proceedings1.pdf> > (2012)
- Yang C. Science and New Sciences. Scents and consciousness: a model of how DNA defines experience. Available from *Energinity.com*. < <http://www.energinity.com/2012proceedings1.pdf> > (2012) Full text available from *Energinity.com* < <http://www.energinity.com/SandC.pdf> > (2012)
- Yang C. A strategy to quantify the energy of existence (\exists). Available from *Energinity.com* < <http://www.energinity.com/2012proceedings1.pdf> > (2012)
- Yang C. The HIV “9749” and HBV “3215” issues and beyond over the past three years. Available from *Energinity.com*. < <http://www.energinity.com/2012proceedings1.pdf> > (2012) Full text available from *Energinity.com* < <http://www.energinity.com/HIVandHBV.pdf> > (2012)

(Submissions to *Nature Precedings* are not posted, but for archiving, sharing, and citable according to its policy.

If you are unable to retrieve them through the links provided by *Nature Precedings*, ask me for accession.)

- Yang C. Cotranslational folding of most proteins. Available from *Energinity.com* < <http://www.energinity.com/2011proceedings1.pdf> > (2011), and also available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2011.6742.1> > (2011)
- Yang C. Genetic information transfer from RNA to DNA: dsRNA binds dsDNA. Available from *Energinity.com* < <http://www.energinity.com/2011proceedings1.pdf> > (2011), and also available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2011.6747.1> > (2011)
- Yang C. Casting and decoding model of protein RNA signal transduction in the affinity maturation of antibody. Available from *Energinity.com*. < <http://www.energinity.com/2011proceedings1.pdf> > (2011), and also available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2011.6746.1> > (2011)
- Yang C. Science and New Sciences – Consciousness research: where to revive. Available from *Energinity.com* abstract < <http://www.energinity.com/2011proceedings1.pdf> > (2011) and full text at < <http://www.energinity.com/bioconsci.pdf> > (2011) and also available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2011.6740.1> > (2011).
- Yang C. Sir John Templeton's vision formed during 1972-1981. Available from *Energinity.com* < <http://www.energinity.com/TwoCommunicationsMay2011.pdf> > (2011)
- Yang C. The Templeton vision through my view. Available from *Energinity.com* < <http://www.energinity.com/TwoCommunicationsMay2011.pdf> > (2011)
- Yang C. New Divine Simplicity (proposed 2011). Available from *Energinity.com* < <http://www.energinity.com/fsunews1.html> > (2011)
- Yang C. DNA defines consciousness. Available from *Energinity.com* < <http://www.energinity.com/2010proceedings1.pdf> > (2010) And also available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5468.1> > (2010)
- Yang C. A new category of signal transduction: Protein to RNA. Available from *Energinity.com* < <http://www.energinity.com/2010proceedings1.pdf> > (2010) and also available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5469.1> > (2010)
- Yang C. DNA transtruction: A major mechanism of genome reorganization before replication. Available from *Energinity.com* < <http://www.energinity.com/2010proceedings1.pdf> > (2010) and also available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5470.1> > (2010),
- Yang C. Complement of Central Dogma of Molecular Biology. Available from *Energinity.com* < <http://www.energinity.com/2010proceedings1.pdf> > (2010) and also available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5471.1> > (2010)
- Yang C. Science and New Sciences (3), Galileo Suffered from Some Scientific Authorities of His Time. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010> > (2010)
- Yang C. The Impact of Faith Science. Available from *Energinity.com* < <http://www.energinity.com/fsimpact.pdf> > (2010) Also available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5306.1> > (2010)
- Yang C. Role Models in Scientific Research or elsewhere
Reflections from a recent symposium and an epo case of ten years. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5309.1> > (2010)
- Yang C. Behavior and Data Integrity in Science. Available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2010.5313.1> > (2010)
- Yang C. Prolife science. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5472.1> > (2010)
- Yang C. Encoding supernatural energy with morality. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2010.5473.1> > (2010)

Yang C. God's energy and God's mass in the Holy Bible. Available from *Energinity.com*
< <http://www.energinity.com/MG&EG%20inBible2011.pdf> > (2010)

(The follows, 4 original research docs are part of a book, "Evolution Momentum", 2009, 2nd Ed 2013)

Yang C. Natural Selection: Wallace Darwin Theory; Evidence and Suggestion of Retro Credit. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2009.2767.1> > (2009)

Yang C. Evolution and Natural Selection Theory: How Wallace Discovered but Darwin Missed. Available from *Nature Precedings* < <http://dx.doi.org/10101/npre.20092.1> > (2009)

Yang C. Science and New Sciences (2), Identification of an Academic Darwin Line. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2009.2840.1> > (2009)

Yang C. Identification of Evolution Thought of Chinese Origin. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2009.3791.1> > (2009)

Yang C. Evolution Update. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2009.4097.1> > (2009)

(The follows, 16 original research docs were collected into one book, "Faith Science", 2009, 2nd Ed 2012)

Yang C. How God Exists: MG = kEG. Available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2008.2647.1> > (2008)

Yang C. Genesis: A Vision of Evolution, Creation and More. Available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2008.2683.1> > (2008)

Yang C. Heavens, Universe and Origin of Life (1). Available from *Nature Precedings* < <http://dx.doi.org/10.1038/npre.2008.2684.1> > (2008)

Yang C. Heavens, Universe and Origin of Life (2). Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2685.1> > (2008)

Yang C. Science and New Sciences – On the Scientific Proof of God's Existence and Beyond. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2706.1> > (2008)

Yang C. Heavens, Universe and Origin of Life (3). Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2730.1> > (2008)

Yang C. Faith Gene Families. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2727.1> > (2008)

Yang C. Consciousness of Life. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2740.1> > (2008)

Yang C. Existence Energy Equivalence (EEE): $\exists = E$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2695.1> > (2008)

Yang C. The Law of Existence is Physical: $\exists (x, y, z, t)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2696.1> > (2008)

Yang C. The Law of the Energy of Existence is Depended on the Exploration of the Existence: $(E = f\exists)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2699.1> > (2008)

Yang C. The Law of the Existence Can Be Reduced into Various Existences: $(\exists = \Sigma [1-m] \exists)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2700.1> > (2008)

Yang C. The Law of Various Existences Can Converge into Existence: $(\Sigma [1-m] \exists = \exists)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2701.1> > (2008)

Yang C. The Law of an Existence May Cause Other Non-Back-Reducible Existences $(\exists_0 \rightarrow \exists_1 \rightarrow \exists_2 \rightarrow \dots \exists_i)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2702.1> > (2008)

Yang C. The Law that All Existences Equal to the Universe: $(\exists [\text{universe}] = \exists [\text{all}])$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2703.1> > (2008)

Yang C. The EEE Laws and Information in Physics: $(I = \exists = E)$. Available from *Nature Precedings* < <http://hdl.handle.net/10101/npre.2008.2704.1> > (2008)

(The follows are peer - reviewed publications including presentations)

- Yang C. Data of DNA and related for 60 years reused to develop new theory and hypothesis. From Base Pair to Body Plan – Celebrating 60 years of DNA. Cold Spring Harbor Laboratory. Feb 28-Mar 3, 2013.
< http://meetings.cshl.edu/abstracts/dna602013_absstat.html >
< <http://www.energinity.com/DNA60y.pdf> > (2013)
- Paffett-Lugassy N, Yang C, Hsia N, Fraenkel P, Paw B, Leschisnksy I, Barut B, Bahary N, Caro J, Handin R, Zon I. Functional Conservation of Erythropoietin Signaling in Zebrafish (abstract),
The 7th International Conferences on Zebrafish Development & Genetics. 2006; p563
(The above one is a peer - reviewed but controversy has generated and unsolved)
- Yang C. Uneven Effects of Bilingual or Multilingual Languages in Brain Injury and Implications in Rehabilitation(Abstract). The 7th Annual National Conference on Medical Interpretation. 2003:15.
Also a peer-viewed oral presentation at the Society’s Annual National Conference 2003.
- Li J, Yang C, Xia Y, Bertino A, Glaspy J, Roberts M, Kuter DJ. Thrombocytopenia caused by the development of antibodies to thrombopoietin. *Blood*. 2001;98(12):3241-8.
- Yang C, Xia YP, Li JZ, Kuter DJ. The Appearance of anti-thrombopoietin antibody and circulating thrombopoietin-IgG complexes in a patient developing thrombocytopenia after the injection of Peg-rHuMGDF(abstract). *Blood*, 1999; 94(10):681a. And also
a peer-reviewed oral presentation - the American Society of Hematology (ASH) Annual meeting 1999.
It defined the first case of Thrombopoietin Resistance Syndrome, and has been continuously cited.
- Yang C, Yan CL, Kuter DJ. The physiological response of thrombopoietin (c-Mpl ligand) to thrombocytopenia in the rat. *British Journal of Haematology*. 1999; 105(2):478-485.
- Yang C and Kuter DJ. Regulation of circulating thrombopoietin levels in the rat during thrombocytopenia; translating TPO mRNA is not altered(abstract). *Blood*. 1998; 92(10):210a.
- Yang C, Xia YP, Kuter DJ. HepG2 cell as a model system for the study of thrombopoietin production and Regulation (Abstract). *Blood*, 1997; 90:158b.
- Yang C and Kuter DJ. Diversity among different mRNA pools in a human tumor cell line-the hepG2(abstract). Translation and Stability of mRNA, San Francisco Symposium, October 12-14, 1997; p89.
(Ribosome-associated mRNA can be identified for functional genes, “Translating gene screening”.)
- Kuter DJ, Xia YP, Yang C, Li JZ. Application of the principles of thrombopoietin physiology to disorders of altered platelet production (Abstract). *Experimental Hematology*. 1996; 24:1072.
- Yang C. Multiple antidiabetic effects of the second generation sulfonylurea hypoglycemic agents (Review). *Guangzhou Medical Journal*, 1992; 36(1):27-30.
- Yang C, Yan T, Chen YJ, Fu ZZ, Zhong GS, Chen H. Determination of mononuclear cell insulin receptor binding by radioligand assay in NIDDM. *Chinese Journal of Endocrinology and Metabolism*. 1991; 7 (1):20-3. And also
a peer-reviewed oral presentation at the Annual meeting of Chinese society of endocrinology 1991.
- Yang C. Radioligand Assay of Mononuclear Cell Insulin Receptor and Its Clinical Applications (Graduate Dissertation). Sun Yat-sen University of Medical Sciences. 1988.
- (The follows, my early appearing in peer - reviewed publications, need some details to be added)
- Yang C. (Abstracting and translating a diabetes care literature). (guó wài yī xué wén zhāi). 1986
- Yang C. Getting an electric injury of right hand caused atrial fibrillation (case report, received an award). *Dangyang Medical Communication*. Chinese Medical Association, Dangyang Chapter. 1985.
- Yang C. The advance of immunology and the reclassification of human body systems (an essay with its title publication). *Immunology Express* (miǎn yì xué kuài bào). Academiae Medicinae Sinicae. 1984.
(Received cash award).
